

# Bayis Moleh Sforim Part 1

(Meir Shmukler and) Gabi Yarmush  
Mivtzah project

# Summary of the mitzvah.

Every chossid should have a house full of seforim. The Rebbe said that we should buy seforim on hey teves which is one way to do this mitzvah.

# Why did the Rebbe choose this specific mitzvah?

Your home is defined by its contents. Aside from those who live there, the most significant items are the sforim lining the shelves and scattered about. They transform the environment in which you live.

Tip: if you don't have a sforim library here are the books you should start with.

Chumash, Tehilim, Siddur, Tanach, Talmud, Kitzur Shulchan Aruch, and Tanya.

# Cool halachos about the mitzvah.

Apparently there are none because bayis moleh sforim is not a mitzvah, the Rebbe only chose this to be one of the 10 mitzvot.

**BA'IS MALE SEFARIM.

# THE MIVTZAH: BA'IS MALE SEFARIM

- 3) BRING AN EXAMPLE OF ENGAGING IN THIS MIVTZAH
- 4) HOW DOES THIS MIVTZAH CONNECT TO MIVTZAH MOSHIACH
- 5) LIST AND BRIEFLY DESCRIBE ALL THE 10 MIVTZOYIM THAT THE REBBE INTRODUCED AND ENCOURAGED

### 3) BRING AN EXAMPLE OF ENGAGING IN THIS MIVTZA

THERE WAS A MAN WHO WAS IGNORANT AND DIDN'T HAVE A CHANCE TO GO TO CHEDER AS A CHILD SO HE WENT TO THE RABBI AND THE RABBI SAID GO BUY SFORIM AND LEARN THEM AND HE DID AND SOON BECAME PRETTY SMART AND HE ALWAYS REMEMBERED THAT THE REBBE CARED ABOUT HIM.

## 4) HOW DOES THIS MIVTZAH CONNECT TO MIVTZAH MOSHIACH

WE LEARN FROM SEFORIM TO KNOW WHAT TO DO WHEN MOSHIACH COMES. JUST LIKE A CHILD BEFORE BAR/BAS MITZVA. (AS YOU WILL SEE IN MIVTZA CHINUCH)

THIS CHART IS TO SHOW WHO AND WHEN WOULD PEOPLE OWN SEFARIM

PEOPLE	1,000 YEARS AGO	NOW
