DAY OF CELEBRATION RECAP!

Dear Parents sh',
It is hard to believe that the Day of Celebration is behind us! What a wonderful experience it was to be able to spend in person with so many of our precious talmidim. Over the course of the kinus I was constantly reminded that "aino domeh reiyah lishmiyah", how seeing is incomparable to hearing, yet that in the case of the OS this maamor chazal takes on a new meaning! Spending time in person, talmidim with their friends and with their teachers, was truly uplifting! We now look to take the inspiration and energy with us into the rest of the year as we focus on channeling the chayus into the day-to-day learning and connection with the Rebbe, while continuing doing our shlichus, wherever we may be! Thank you to those parents who made the effort to be by the DOC, we know it is not always easy! The month of Kislev is packed with so many yimei depagra and culminates with Chanukah and we hope that the Online School experience will continue to imbue both you and your children with chassidishe light that will illuminate the golus with the ultimate light of Moshiach! Enjoy some snippets in the pictures below!

Sincerely, Rabbi Yaacov Ringo

Extra Curricular Update!

Leading up to Chof Cheshvan the students participated in a beautiful program titled 'Discover the Seforim of the Rebbe Rashab.' Each day the students learned about a different Sefer of the Rebbe Rashab. On Chof Cheshvan there was a quiz on the information learned and a grand raffle was drawn by Day of Celebration with the winner being Shneur Scheiman from B2! The Day of Celebration was an exciting day with the students meeting their fellow classmates and teachers, followed by a beautiful program where a student from each class spoke and a fun trip! In honor of Yud Tes Kislev we had a grand Farbrengen and Seudah with guest story teller Rabbi Perl!
