

SHLUCHIM ONLINE SCHOOL CHESHVAN UPDATE

חודש חשוון תש"פ

A WORD FROM RABBI RINGO

Dear Parents sh',
I hope you and your families had a wonderful Tishrei and that your Yomim Tovim were successful and inspirational. BH I received a lot of feedback about the way so many talmidim had opportunities to shine and share halochos, stories, and minhogim with people in their Chabad Houses and with their families over Tishrei! Learning in the OS certainly provides the talmidim with a real opportunity to enhance their connection with the Rebbe and with being chassidim! As we now move into the winter, our first excitement is the Day Of Celebration which is fast approaching in just a few weeks bezH. I look forward to greeting the talmidim IN PERSON together with their fathers when they come in for the Kinus Hashluchim. We will celebrate our unique school together with talmidim, parents and teachers and the fact that despite living in locations where chinuch could be a challenge, the Yaldei Hashluchim can still receive a wonderful and authentic chassidishe chinuch! Wishing you a gezunte winter and much yiddishe chassidishe nachas! Rabbi Yaacov Ringo
