

Chana Noah of Brazil

Manaus, Brazil

Hey Online School! I'm Chana Noah Reichman from G3! I am 8 years old and I have 5 brothers and no sisters. I am on Shlichus in Manaus, Brazil.

You might have never heard of the place where I live, because it's very far from where most of you are on Shlichus.

There aren't a lot of Yidden where I live but we are always looking for more.

Sometimes I go out with my parents and ask people on the street if they are Jewish. Sometimes they say yes, and a lot of times they say no.

But when they are, we try to get them to come to Shul for Shabbos. Then they get to be in a frum shul, and we also sometimes have enough people for a minyan!

Because I live so far from most people, I get to travel a lot. My bubby and Zaidy live in Brazil so sometimes we visit them, and I have another Bubby and Zaidy in Houston, TX. I just came back from a trip to Eretz Yisroel for my uncles wedding!

I only go to the morning classes in online school, but I love all the classes that I'm there for. I especially like Parsha and Davening. I just wish Parsha class would be longer!

Sometimes I help my mother bake Challah for Shabbos. This Shabbos is the first one after Pesach. I'm sure a lot of your mothers are baking Challah for Shabbos. Help your mother out and send in a picture of you baking challah to be posted on the website! Send it to:
