Introducing....our *Shlucha of the Week* winner....

Sara Perlstein!!!!!!

Hey online school!

I'm so excited that I won the chance to be Shlucha of the week! I got into the raffle because I lit Shabbos candles with a lady, and taught her the Bracha!

I love helping out in our Chabad house!

Every Sunday we have Hebrew school and I teach Aleph Beis to the kids that come. My friend comes every week and I get to test her!

I'm in G2, and I love my class! My favorite class is Chumash with Morah Lipszyc. I also like coloring on the board and chatting with my friends after class.

When my family comes into NY I go to Beis Rivka, but I like online school better! This is my 4th year in online school– I've been here since Gan!

My favorite part of school is Bnos Chabad! I love everything but night activities are the best!! The science experiment we did was so fun and cool!

I have two older brothers and two younger brothers. On special days my family does fun things— like for Rosh Chodesh Kislev we went ice skating!

My job every Friday is to set the Shabbos table! Shabbos is so nice because we have a lot of different guests that I know and I like talking to them. I also love helping my mother out in the kitchen!

On the next page is a recipe for yummy brownies!

Enjoy!

Send in a picture of yourself with the brownies when you're done making them!
