Recap: Bracha takes her twin brothers to the park where she meets her mother who is acting strange. Bracha's parents tell the older kids that the jewelry store was robbed and the robber somehow shut off the video cameras and the alarm. Bracha calls Freida and excitedly tells her how she found their first case, and then ran to Freida's house.

"Hello? Helloooo?" Freida stared at the phone, twirling her straight brown hair with her finger, her light brown eyes missing its usually excited glint, and her freckles didn't seem to help her look a ton better. "Bracha? Are you there?" After no response, she hung up the phone with a sigh.

"What was that all about," 13-year-old Sima asked, sounding gloomy but slightly curious. Their parents had told everyone what happened around the same time Bracha's parents told her. "I have no idea Bracha called and-" Freida was interrupted by the ringing of the doorbell, "I'll get it" Chava Miriam ran over to the door, "oh, hi Bracha, Freida is in the kitchen" and faster than the wind Bracha ran off to the Steins kitchen, Chava Miriam followed her, rather amused.

Freida welcomed Bracha in the kitchen "let's go upstairs". The two girls went up the stairs to the room that Freida and Sheina shared. "Oh, hey Bracha" Sheina, Freida's 11-year-old older sister, waved from the top of the bunk bed. No one ever guessed Sheina and Freida were sisters, Sheina's hair was short and blond, though it was also straight, and she had much darker eyes. "Don't worry I'm outta here. I was going to go to my friend anyway now". Sheina left and the girls got comfortable on Freida's bottom bunk. "So you said you had some case idea. I assume it has something to do with the robbery?" Bracha's expression seemed to darken a bit, but she still had the same excited tone of voice "how'd you guess?! Anyway, I thought it would be a great opportunity for BF Detectives to find the robber-" to say Freida looked shocked would be an understatement "are you kidding me?!?! If the thief managed to turn off the expensive high-quality video cameras and security alarm you think we can find him?!?!?!?! Even if we do somehow it would be utterly dangerous!!!" Freida was shouting "Shh, not so loud! Look, I have to go home now but I will see you tomorrow in school, Lemme know what you think" and with that, Bracha was off.

For the next fifteen minutes, Freida just sat on her bed, deep in thought, but was interrupted by Chava Miriam. "What was that all about?" Freida just stared into space I have got to find an excuse for her not to do it! Freida tried to recall everything that happened when Bracha suggested the idea. "I am assuming you got permission from Mommy?" Chava Miriam put on a just-because-your-older-than-me-you-are-not-wiser look, "We are doing that right now" Freida said, walking past her sister out the door with Bracha behind her. "THAT'S IT!" Freida shouted, Chava Miriam, who had come in to get a book, jumped three feet in the air. "Y-you spoke!" Chava Miriam her hand to her heart
