Rochie Wolf!!

By: Chana Zwiebel & Rivka Pelman

Hi! What's your name & Where are you on Shluchos?

Rochie wolf and im in Shlichus in Helsinki Finland. Its in Europe, near Russia.

C&R: wow that's so cool! How many siblings do you have?

R: 6 Kah

C&R: Nice! What are your hobbies?

R: I like baking. Cookies and cakes. Mostly I'll bake for shabbos, sometimes for birthdays.

C&R: What grade are you in?

R: I'm in G5. It's the best grade ever!!

C&R: How do you help in Your Shlichus?

R: I go out on mivtzoyim. I meet people, sometimes every few months we go to old age homes. And to the community. We had Hebrew school but right now it's on hold. We have a Bas Mitzvah club- i'm in the Bas Mitzvah club because I'm turning 12 next year.

C&R: wow ur such a big helper!!! What is something funny that happened on your Shlichus?

R: Once when we went to the old age home we took a fake guitar that we have in our house and we played fake guitar for them.

C&R: that's so funny 😊, What is your favorite part about your Shlichus?

R: Teaching other people. In the old age home we sing Jewish songs but if I'm with my friends then I'll teach them something that I know or something random.

C&R: What is something interesting about where you live?

R: It says somewhere that in Finland we have the best education.

Our chabad house is the second oldest building in Finland. Which is why we are renovating it.

There's no sort of big thing in Finland. No way of getting people to come here.

C&R: that's so interesting! What language do you speak in Finland?

R: We speak Finnish. I can speak it fluently. It doesn't sound like Russian or any other language, it's just a weird language.

These are the northern lights, it was amazing!!

C&R: cool! What is something you would like to do in your Chabad House when you get older?

R: Help my mother in the kindergarten, sometimes I get to go there and help her out but not for full time. I like children.

C&R: What is something The Rebbe tells the Shluchim that gives you Koach on your Shlichus?

R: Ich For Doch Mit Aich- the Rebbe's always with us and can help us.

Thanks for Sharing!! It was amazing!
