SPORTS ARE THE ONLY ENTERTAINMENT WHERE,

NO MATTER HOW MANY TIMES YOU GO BACK, YOU NEVER KNOW THE ENDING!

MOST ROLLER COASTERS END LIKE THIS.

AS THE ROLLER COASTER FALLS, IT ACCELERATES AND BUILDS UP ENOUGH KINETIC ENERGY TO MOVE IT THROUGH THE REMAINDER OF THE RIDE. THEN TO STOP IT FULLY AT THE END AIR BRAKES COME OUT.

ALL ENDINGS

HAVE NEW BEGINNING.

THERE IS NO ENDING TO

decorating with Ora Yeshayahu!

Step 1) Take your favorite vanilla cake recipe (best if its square), make sure its cool and apply frosting over the whole cake.

Step 2) Make your favorite fondant recipe, then take a big sheet of white fondant and cover the cake in it.

Step 3) Roll out some blue frosting take a knife and cut it so its a long strip like this— Then apply it to the bottom of the cake.

Step 4) Make balls with light blue and dark blue fondant, and make sure some are big and some are small. Then flatten them and apply them all around the sides of the cake.

Step 5) Cut out letters with either a cutter or just roll them out to spell— # dont go— in the middle and we will miss you in bigger and apply it to the bottom and farewell (we will use in step 6)

Step 6) toll out a small piece of white fondant, and wrap it over a toothpick. Now roll out two pieces of white fondant and cut them both in the shape of a rectangle. Put one piece on the table put the toothpick in between and put the other on top. Now stick you 'farewell' that you made and apply it on top, then stick in the top left corner of your cake.

Cake decorating with Ora!

Step 7) Take a piece of yellow fondant and roll it into a ball

Step 8) Roll out two small and thin black pieces of fondant and apply them to the top of the ball

Step 9) roll out two white long ovals. then roll out two blue circles and put them on the top of the oval so no oval should be showing on the top. Roll out two smaller black circles and put them in the middle of the blue circles. Then tak to tiny tiny pieces of white fondant and put them on the top of the black circle. Take a small piece of white fondant and make a circle with line and attach it to the bottom of the oval as a tear.

Step 10) take a toothpick and make a sad mouth on the bottom of the ball. Now finally stick the ball on the top right corner of the cake and..

A woman from the Chabad-Lubavitch Community in Brooklyn was pulled over by a N.Y.C. traffic cop for some traffic violation. Standing outside her open car window and watching her search for her license and registration papers, the police officer caught sight of a picture of the Rebbe in her open purse. "Excuse me, ma'am," he asked, "are you one of the followers of the Rebbe?" "Yes," she replied. "Well, in that case I'm not giving you a ticket." He closed his ticket book and continued, "Do you know why? Because the Rebbe," he pointed to the picture she was now holding in her hand, "did a very big miracle for me." "Well," said the grateful woman, "since you aren't giving me the ticket, I have time to hear the story." The policeman smiled and said, "It's my favorite story, but I haven't told it to many Jewish people, in fact I think that you are the first." The cars were whizzing by behind him and he had to raise his voice slightly. The story goes like this: I used to be in the police escort that once a week escorted the Rebbe to the Montefiore Cemetery (where the Friediker Rebbe is buried). I got to know some of the young men who accompanied the Rebbe, and I learned a lot of things. They are very friendly people, which you probably already know, and we talked a lot while the Rebbe was inside Davening. Well, one day I saw that all the fellows there were really talking excitedly to each other so I asked them what happened.

Rebbe Story

So they told me that the Rebbe does a lot of miracles for people, but today he did a miracle that was really something. I didn't even ask what was the miracle that they were talking about. I just asked them if the Rebbe helps non-Jews also? "Sure," they said. The Rebbe helps anyone who asks. Why? Do you need something? So I told him, this young fellow that me and my wife had been married nine years with no children, and a week ago the doctors told us that we had no chance. We had spent a lot of money on treatments, seen all sorts of big professors, we were running around like crazy for the last six or seven years, and now they told us that they tried everything and there is no chance. You can't imagine how broken we were. My wife cried all the time and I started crying myself. "So this young man tells me, 'Listen, the next time that you escort the Rebbe to the cemetery stand near the door of his car and when he gets out ask him for a blessing.' So that is just what I did. The next time I was in the escort I stood by his door and when he got out I said to him, 'Excuse me, Rebbe, do you only bless Jewish people or non-Jews too?' So the Rebbe looked at me like a good friend, it was really amazing, and said that he tries to help anyone he can. So I told him what the doctors said, and he said I should write down on a piece of paper my name and my father's name together with my wife's and

Page 18 her father's names and that he would pray for us

So I did it, my hands were shaking so much I almost couldn't write, but I did it and you know what? My wife became pregnant and nine months later she gave birth to a baby boy! The doctors went crazy, they couldn't figure it out, and when I told them that it was all the Rebbe's Bracha they just scratched their heads and — Wow! I felt like the champion of the world! But here comes the good part. Do you know what we called him? What name we gave our baby boy? Just guess! We called him Mendel after the Rebbe. At first my wife didn't like the name because it's not an American name, but I said, No! We're calling him Mendel! Each time we say his name we'll remember that if it weren't for the Rebbe this boy would not be here. But when our parents heard the name they really objected. They said, "With a name like that, all the kids will think he's a Jew or something and they will call him names and be cruel to him. Why make the kid suffer for no reason?" That's just what I want," I said to them. "When he comes home and says that the other kids called him names and beat him up because he has a Jewish name, I'll tell him that I want him to learn from those other kids how not to behave. They hate the Jews for no reason, but you should love the Jews, you should help the Jews. You just tell them that without that Jewish Rebbe called Mendel you wouldn't be here at all, and then maybe they'll start thinking differently too!"

love it so much thank you for the facts!!!!!!!
