Rochel Leah Pewzner

**SHLUCHA TO
THE CAYMAN ISLANDS**

Hi my name is Rochel Leah Pewzner! I live in the Cayman Islands, and I am on community shluchos. One thing that's unique about my country is that we always get to swim because we're surrounded by water and it's never too cold!

**But the hardest thing about my Shlichus is that we don't get that many Kosher treats like click chocolates!
And I miss my cousins and aunts and Bubbies and Zaidies.**

I was walking home from Chabad on Rosh Hashanah with my family and we stopped on the way because there was someone we knew and we blew the Shofar on the sidewalk!

Our community is very big and has lots of kids. My favorite thing on shlichus is that every Monday I get to be part of JUDA, which is the Hebrew School class for my age where we do Aleph Champ, lots of art activities and learn Parshah.

One thing my country is famous is that there is a place called Stingray City; You have to take a boat to to get there. It's a sandbar in the middle of the ocean. It's very shallow water so you can park the boat and swim with the Stingray's that like to gather there.

Something unique about my Shlichus is that we have classes every day except Friday for all the kids in the community!

We also have big shipment of food that come from Miami and we store them in our freezers.

Special Thanks To:

ROCHEL LEAH PEWZNER
