Shaina Lifshitz!

A Shlucha in Boise Idaho

Hey, my name is Shaina Lifshitz and I live Boise Idaho, I want to share with you a bit my Shlichus!

I live on community Shlichus, we have a couple hundred Jews here and we make a lot of programs for them.

One of my favorite parts are having people over for Shabbos, we always have a lot fun!

There are also some hard things, like not having yummy kosher food or Jewish friends here.

WE HAVE THE MOST REMOTE SHLICHUS IN THE CONTINENTAL U.S.

ONE FUN FACT ABOUT BOISE, IT PRODUCTS THE MOST POTATOES IN

THE WHOLE WORLD!
